DIRECTIVE REGARDING EDUCATION and FOREIGN STUDENT ADMISSIONS to UNDERGRADUATE PROGRAMMES at İZMİR INSTITUTE of TECHNOLOGY

Principles for the Terms of Acceptance of Our Institute:

**Article 7** – The students to be accepted from abroad are required to get at least 600 from the Mathematics part of SAT examination or 70 or more from the Fundamental Learning Skills Test of İstanbul University Abroad or Foreign Nationality Student Examination. The candidates who fulfill one of these conditions can make 3 units of department preferences during the application. The candidates who apply according to the SAT Examination Result will be ranked according to the score that they take from the Mathematics part of the SAT examination and they will be placed to their preferences. The validity duration of the SAT examination is two years. The candidates who apply according to the result of the İÜYÖS Examination will be ranked according to the score that they take from the Fundamental Learning Skills Test and they will be placed to their preferences. The validity duration of the İÜYÖS Examination is one (1) education and training year following the examination result date.

**Article 8** – Practice schedule including application and registration dates within the framework of student quota for foreign students who will come to our institute is required to be indicated in our academic calendar and information about these registered students should be reported to the Presidency of the General Board of Higher Education.

**Article 9** – The applications of the candidates fulfilling the application conditions are evaluated by the Foreign Nationality Student Acceptance Commission and they are decided by the management boards of the related faculties.

**Article 10** – The acceptance letter or an equivalent certificate will be issued and given to the students as they must have the Education Visa for being able to get education as a result of the student admission to our Institute from aboard.

**Article 11** – The “pre-acceptance letter” will be issued and given to the candidates applying in the interim period to the Foreign Nationality Student quotas of our Institute and providing the application conditions in a way which will not exceed 1/3 of our Institute’s student admission quotas from the abroad in the previous year.
Article 12 – A bankbook copy or the document of scholarship will be requested as cover note which will be showing that the students who have the rights of studying in the Turkish Republic as a foreign student has enough and sufficient financial assurance to have education in our country in the amount determined by the Board of Directors each year.

Article 13 – In case the students who complete the final registration and who do not have valid social security in Turkey apply to any Social Security Centre Directorate or İzmir Social Security Institution Provincial Directorate within three months as of the first registration date, they can have general health insurances by paying the general health insurance premium. The students who do not apply within the mentioned durations cannot benefit from the opportunities that the general health insurance provides during their educations.

Enforcement

Article 14 – This directive was accepted by the Senate of IzTech on 16/12/2014.

Execution

Article 15 – Provisions of this directive shall be executed by the Rector.
