**DIRECTIVE REGARDING EDUCATION  
and FOREIGN STUDENT ADMISSIONS  
to UNDERGRADUATE PROGRAMMES  
at İZMİR INSTITUTE of TECHNOLOGY**

**Principles for the Terms of Acceptance of Our Institute:**

**Article 7** –Foreign students are required to have obtained the minimum score of 600 from the Mathematics section of SAT (Reasoning Test) or the score of 70 or higher from the Basic Learning Skills Test of İÜYÖS. The applicants who meet one of these requirements may choose three departments during their application. The scores obtained from those exams are valid for 2 years and 1 year for SAT and İÜYÖS, respectively, backwards as of the deadline of the application.

**Article 8** – Practice schedule including application and registration dates within the framework of student quota for foreign students who will come to our institute is required to be indicated in our academic calendar and information about these registered students should be reported to the Presidency of the General Board of Higher Education.

**Article 9** – Applications of the candidates who meet the requirements are evaluated according to the criterion determined by the Foreign Student Admission Committee and the decision shall be made by the individual Faculty Executive Boards.

**Article 10** – After the approval of admission, an acceptance letter is issued for the applicant.

**Article 11** – A bankbook copy, a document of scholarship or a letter of undertaking signed by the guarantor of the student will be requested as cover note, which will be showing that the admitted students who have the rights of studying in the Turkish Republic as a foreign student has enough and sufficient financial assurance (the amount of the financial assurance is determined by the Board of Directors each year) to have education in our country.

**Article 12** – In case the students who complete the final registration and who do not have valid social security in Turkey apply to any Social Security Centre Directorate or İzmir Social Security Institution Provincial Directorate within three months as of the first registration date, they can have general health insurances by paying the general health insurance premium.

**DIRECTIVE REGARDING EDUCATION  
and FOREIGN STUDENT ADMISSIONS  
to UNDERGRADUATE PROGRAMMES  
at İZMİR INSTITUTE of TECHNOLOGY**

The students who do not apply within the mentioned durations cannot benefit from the opportunities that the general health insurance provides during their educations.
