

2017-2018 SPRING SEMESTER

ANNOUNCEMENT REGARDING THE RE-ENROLLMENT OF GRADUATE STUDENTS

Important

To renew the registration, Tuition Fee must be paid, Classes must be selected and advisor's approval must be obtained. The students are responsible for all these procedures. If any of these procedures is missing, registration can not be completed.

Tuition fee payment is completed electronically from the bank; therefore, there is no need to submit a bank receipt to the Student Affairs Office.

Preparatory school students will not select courses.

The research assistants who are carrying out a duty at a state university except for IZTECH are not going to pay tuition fee if they provide a document of their situation till February 5, 2018.

Advisor's approval and Class Adding-Dropping procedures are to be completed with the advisors.

The Repeat students at Preparatory school are to pay tuition fee.

The students who would not graduate in the study period are to pay tuition fee.

Foreign national students (except for the scholarship students) are to pay tuition fee.

Regardless of the excess of study period, the students who register at a second high education programme when already registered to another one (except for the double major programmes) are to pay tuition fee.

Unregistered graduate students in 2017-2018 Fall Semester are required to submit a recent- dated military service status document to Student Affairs Office in order to complete re-registration.
