

**This information is related to courses in undergraduate programs where the attendance requirement is not required for repeating courses.**

The fifth paragraph of Article 8 of the Izmir Institute of Technology Undergraduate Education and Training Regulation states, "(5) There should be no scheduling conflicts in the courses chosen by the student. However, in the case of repeating courses, as determined by the Senate, where the attendance requirement is met, this condition is not required." The second paragraph of Article 9 also states, "(2) In the case of repeating courses (excluding NA and W grades) where the attendance requirement is met, as determined by the Senate, this requirement is not required for the specified courses."

The mentioned courses can be added by students through their academic advisors on the Student Information System between October 12, 2023, Thursday, 10:00 AM, and October 13, 2023, Friday, 11:59 PM. Students who wish to take these courses should get in touch with their academic advisors.
