

**INFORMATION CONCERNING UNDERGRADUATE PROGRAMS, COURSES  
WHICH WILL NOT REQUIRE ATTENDANCE REQUIREMENT IN CASE OF  
REPETITION**

The fifth paragraph of Article 8 of IZTECH Undergraduate Education Regulation states: "(5) There should be no conflict in the courses chosen by the student. However, this condition is not required in case of repeating the courses determined by the Senate among the courses that are failed by fulfilling the attendance requirement." and the second paragraph of Article 9 contains the following provision: "(2) In case of repeating the courses that are failed (except for NA and W grades) by fulfilling the attendance requirement, attendance requirement is not required for the courses determined by the Senate."

The specified courses can be added by students through the Student Information System by their academic advisors during **the Academic Advisor Course Add/Drop Confirmation period (February 29, 2024, Thursday, 10:00 - March 1, 2024, Friday, 23:59)**. Students who wish to take these courses should contact their academic advisors.

The courses opened within this scope for the 2023-2024 Academic Year Spring Semester are as follows:

<b>COURSE CODE</b>	<b>COURSE NAME</b>	<b>CREDIT</b>	<b>ECTS</b>
MATH142	BASIC CALCULUS II	4	6
