# 2024-2025 Academic Year Fall Semester English Preparatory and Undergraduate Students' Registration Renewal Announcement

- Students are responsible for carrying out the course registration procedures for the Fall Semester of the 2024-2025 Academic Year in accordance with the current regulations: IZTECH Student Registration and Admission Regulations, IZTECH Undergraduate Education and Training Regulations, and IZTECH Undergraduate Student Operating Principles. Students will be held accountable for any course registrations that are not done according to the specified regulations.
- Preparatory class students need to follow the website ydyo.iyte.edu.tr for Fall Semester registration renewal procedures. Students who are repeating the English Preparatory Class or international students will be required to make fee payments.
