

2025-2026 ACADEMIC YEAR SPRING SEMESTER
Non-Thesis Evening Master's Program Students
Semester Registration and Course Selection

IMPORTANT

- Since your tuition fee will be transferred from the bank to ÖBS electronically, receipts will not be delivered to the Registrar's Office.
- Advisor's approval and Class Adding-Dropping procedures are to be completed with the advisors.
- Students enrolled in the Scientific Preparation Program will not be required to complete the registration process for courses. Courses will be added according to the Scientific Preparation Form.
- In the case of adding a new course, the tuition fee for that will be paid on February 18-19, 2026. If you drop any of these courses, you should write a petition to the secretary of the department.
- To renew the registration, Tuition Fee must be paid, Classes must be selected and advisor's approval must be obtained. The students are responsible for all these procedures. If any of these procedures is missing, registration can not be completed.
