IMPORTANT NOTES:

- 1 – No applications from students of other higher education institutions will be accepted for the 2025–2026 Summer School.
- 2 – A student may take a maximum of three courses during the Summer School.
- 3 – Course add, drop, and withdrawal procedures are not available during the Summer School.
- 4 – Undergraduate students who have successfully completed the English Preparatory Class but have not yet started their departmental courses are not eligible to take Summer School courses.
- 5- PHYS 101 and PHYS 102 courses will not be considered equivalent to PHYS 121 and PHYS 122 courses.
- 6 – In case of a schedule conflict between courses taken during the Summer School, students may enroll in only one of the conflicting courses.*

*Exception: Students who have previously taken PHYS101, PHYS102, MATH 141, MATH 142, MATH 145, MATH 255, or MATH 265 and received an FF or FD grade may enroll in these courses despite schedule conflicts, provided that they submit a petition to the department offering the course.
